

Use this job aid to refer a candidate to a job using the Workday mobile application.

Refer a Candidate

From your home screen:

1. Click the **Careers** application.

2. Click **Refer a Candidate**.

NOTE: In the **Referral** Details, provide details of the candidate's name, contact information, job details, relationship details, and resume/cover letter. An asterisk * indicates the field is required.

3. In the **Name** section, enter the **First Name** and **Last Name** of the candidate you are referring.
4. In the **Contact Information** section:
 - In the **Country phone Code** field, enter the country of the phone number.
 - In the **Phone Number** field, enter the candidate's phone number with the area code first.
 - In the **Phone Extension field**, enter an extension, if applicable.
 - Enter the candidate's email in the **Email** field.

5. In the **Job Details** section:
 - In the **Jobs** field, select the job you would like to refer the candidate to. Multiple jobs can be selected. *This section is required. You must refer candidates to **current** job openings.*
6. In the **Relationship Details** section:
 - In the **Relationship** field, select the relationship of the candidate to you (e.g., Former Co-Worker, Friend, Other Relative, Student).
7. Click the  icon to expand the **Referral Social Media Links** section if the candidate has a LinkedIn URL you want to add.
8. In the **Attach Resume/Cover Letter** section, you can attach the candidate's resume/cover letter, if available.
9. Review candidate information. Click **Submit**.

You receive a notification in Workday after your candidate referral is received.
